

PRE-ASSEMBLED POWER STEERING PRESSURE & RETURN HOSE ASSEMBLIES

SUNSONG PRE-ASSEMBLED PRESSURE AND RETURN HOSE ASSEMBLIES

Sunsong Original Equipment Quality Pre-Assembled Pressure & Return Hose Assemblies are engineered to match original equipment fit, function, and performance. Each assembly comes complete with brackets, bushings, and mounting hardware where applicable, eliminating the need to reuse worn components and delivering a faster, more reliable installation.

KEY SELLING POINTS

- ✓ **Precision Engineering**
Built to Original Equipment exact form, fit, and function.
- ✓ **High Performance**
Exceeds Original Equipment and SAE performance standards.
- ✓ **Corrosion Resistance**
Electroplated, zinc-coated steel tubing.
- ✓ **Quality Assurance**
Factory-tested for trouble-free performance.
- ✓ **Advanced Materials**
Multi-layer reinforced rubber resists ozone, heat, and oil.
